

The Build Fellowship

Cap-Exempt H-1B Solution for Top Talent

The Build Fellowship
is a cap-exempt H-1B
program for top
international talent.

Fellows are employed in part-time roles to prepare college and university students for careers. U.S. companies can then employ Fellows full-time on concurrent H-1Bs immediately, at any time of year.

WHAT PEOPLE ARE SAYING ON

The Impact of Build Fellowship

The Build Fellowship changed my life for the better! Not only did it do so in the most obvious way (set up an immigration pathway in the U.S.) but it also helped me discover my own leadership and management skills.
